

Citizens Advice Gosport is looking for a trustee with appropriate skills and experience to join our board now and take over from the current Chair whose six years term of office expires towards the end of 2018.

Citizens Advice Gosport is governed and managed locally but with the benefit of being part of a large and influential national organisation. We provide information and advice services to the people of Gosport. We are a member of Citizens Advice which is a network of around 300 independent local charities across England and Wales. Each local Citizens Advice is a member of the national Citizens Advice charity. All together we form the Citizens Advice service.

A Chief Officer leads a small team of paid staff but most importantly a large number of highly trained and committed volunteers who provide advice to local people. The charity has recently carried out a review of how we can best meet the needs of local residents and has commenced implementing the changes required to ensure future success at a time when demand for our services is growing fast.

The Chair will lead our enthusiastic and committed team of volunteer trustees in developing the strategy for this independent charity, supporting the Chief Officer and ensuring we meet the needs of local residents.

To find out more about the role and how to apply please contact the Company Secretary, Ame Rutter on secretary@gosport.cabnet.org.uk or telephone on 02392 604605.

If you would like an informal discussion on what would be involved in becoming Chair of this busy charity please call Ame Rutter on the telephone number above and she will arrange for a trustee to call you back.
