

I have been a trustee at Citizens Advice Gosport since July 2016 and enjoy working with the great team of volunteers and employed staff. I also work full time as a solicitor for Blake Morgan LLP.

I enjoy getting involved with my local community and have previously mentored students taking GCSEs, been a mentor for the Girls' Network charity and been a school governor. Once my children left school, I looked for another opportunity and am now enjoying the challenges and opportunities of being a trustee.
